

1. Event Information Dataset

Basic Event Details

- **Event Name:** Global Refining & Petrochemicals Congress (GRPC) 2025
- **Edition:** 10th Global, 9th Edition
- **Dates:** July 10-11, 2025
- **Venue:** Hotel Le Méridien, New Delhi, India
- **Theme:** "The Next Horizon: Downstream 2030, Innovations for a Low-Carbon Future"
- **Website:** www.refpet.com
- **Organizer:** ENICS(The Energy and Climate Initiatives Society)
- **Co-Organizer:** Iten Media

GRPC 2025: "The Next Horizon: Downstream 2030, Innovations for a Low-Carbon Future" is a global platform driving sustainable transformation in refining and petrochemicals. As climate challenges and technological advancements reshape the industry, this conference will unite leaders to explore decarbonization, digital innovation, circularity, and market dynamics. India, a key player in this shift, offers immense opportunities for sustainable growth. Join us in pioneering solutions that redefine the downstream sector and set the course for a greener future. The journey to 2030 begins now.

Event Focus Areas

- Decarbonization Strategies (net-zero emissions, renewable feedstocks, green hydrogen, biofuels)
- Digital Innovation (AI, IoT, digital twins)
- Integration and Circularity (refining-petrochemicals convergence)
- Policy and Market Dynamics (regulatory frameworks, market trends)
